Connector types	RJ45 AMP PLUG
Cable types	4 x 2, Twisted Pair, 24 AWG, UTP KHOMAX
Sheath material	Halogen free LSZH
Wiring	8-pole, 1:1
Transmission performance	Category 5 / Class E up to 100 MHz according to ISO/IEC 11 801:2002, EN 50 173-1
Transmission rate	10/100/1000 Mbit/s
Shielding	No shielded
Operating temperature range	0 °C ... +60 °C
Standard lengths	0.5 m to 90 m other lengths available on request
Colour	Blue or Grey

Advantages

Robust design
 Halogen free
 Compliant Network 1000BASE-T among others
 Certification with FLUKE DSX-5000 equipment
