

**HARDLINE COAX TO F CONNECTOR ADAPTER**

Male Hardline to Female F Conversion

**DIMENSIONS**

Special purpose adapter intended for situations where hardline (500) coax needs conversion down to RG-6 or similar reduced diameter drop cable. The reduced diameter end has a standard 3/8 x 32UNEF thread. The larger hardline thread is a 5/8 x 24UNEF.

The adapter is 70.5mm overall in length with a 38.5mm male pin.

**MATERIALS**

- ASTM 6262 Aluminum Alloy with gold chromate conversion
- Brass Contact Pins with silver plate / post plating acid bath to brighten
- UV resistant EPDM O-ring material

**PRODUCT PACKAGING:**

The PVHA adapter is packaged with fifty (50) adapters in a bag.
